Please find attached, in line with the point 7 of the Honourable Judge Jesse M. Furman's Order of July 15th 2020 (Document 94) in the case 1:19-cv-02860-JMF, an objection to the proposed Settlement and the supporting documentation.

As evidenced by the account statement overleaf, I currently own 480.000 shares in SIAF.

I have not been involved in any other legal case during the last three years and have never objected to any settlement before in my life.

"Antal" means "number".
